catering to her obsessions

My roommate told me I would like doing this. At first I was hesitant because all my fucking was in private. No one had ever watched me before, and now there's going to be a crew and they are putting me in photos and a video. You know what? I loved it. After I got over my fears – in about five minutes – it was like they were never there!

Sweet Suck-cess The most exciting entertainment in the world can be found

The modern suck scene has become close to surpassing humankind's previous attempts to fuck its brains out. Sucking a dick or a pussy is not only a favorite form of (effective) foreplay, the mouth is considered by sex connoisseurs as itself a means to mutually cause excitement, which ends up In a completely satisfying—and contraceptive—orgasm.

"The mouth," according to sexologist Marilyn Frammer, "is being used more and more by people looking to get theirs. To ignore them would be to close your eyes to an infallible form of birth control and to perhaps superior sexual satisfaction."

Cocksucking and cuntlapping are unselfish acts, where the one doing the sucking is mainly mindful of the pleasure of the one receiving the pleasure. And the 69, of course, is a mutual sharing of unselfishness which makes each participant appreciate the peak of pleasure of both partners. Unprovable but provocative estimates have it that more pussy juice is lapped up every day than gravy on mashed potatoes.

The woman who has developed "deep throat" talents is currently admired as much or more than the chick whose cunt can milk a man dry. And the guy who sticks out his tongue at a girl in the right place is poking more fun than when he plies her with the most persistent fuck. Fucking is still good old-fashioned fun. But sucking is sublime.

The "Deep Throat" porn flick made the ability to come while sucking a cock (because her clit was said to be located deep in her throat) was not as far-out a fantasy as it may sound. Experts now know that countless females can come from the sheer mental excitement of sucking a cock. ("Females who possess a semen obsession," claims Frammer, "can often only climax when a disgorging penis fills their mouths with semen.") There is speculation that the female's orgasmic excitement is caused from powerful feelings of "sexual success." She can actually feel and taste a mouthful of cum, but fucking affords her no such certainty.

Numerous guys often soak the sheets while going down and sucking an appreciative pussy. But statistically far more females than males can get off by simply giving head. It's known that some "semen-obsessed" women can come by even the sight of a dude ejaculating. The taste, smell, and consistency of a man's cum apparently provide these ladies with such potent sexual excitement that they simply achieve orgasm

.

The expression "giving head" clearly illustrates that we now tend to think of oral sex in terms of giving rather than receiving. Even with the 69 there is a stronger mutual sense of giving than there is of getting. Fucking is often thought of (and used) in a far more derogatory or insulting sense than sucking. A pissed-off guy may tell you to "fuck off" or to "get fucked," but he'll never tell you to "suck

off" or to "get sucked." And a guy who feels he is getting screwed or being ripped off will sometimes say: "You're trying to fuck me," but never, "You're trying to suck me."

Animals never suck each other in order to give or receive sexual pleasure; they merely fuck out of their rutting instinct to make more of their kind. And in many cultures around the world oral sex is just not practiced. Only fucking is engaged in and on an apathetic average of twice a month! We're not trying to sell anybody on sucking. It's swiftly and successfully selling itself by word and deed of mouth. Today's young couples, dreading the sexless mess and inconvenience of birth control, are finding sucking to be far more than a safe and satisfying substitute for fucking.

Doctor Paul Popenoe, author of Sex, Love and Marriage, states that the inclusion of oral sex has saved thousands of troubled marriages because: "Each partner finally becomes aware that the other's passion is far from selfish; sucking—being the first thing all of us do at birth—is more instinctual and less a learned experience than coitus."

"My husband and I," says one blowjob aficionado from the San Fernando Valley, "love sucking so much that we sometimes even fall asleep in the 69 position. One or the other of us often wakes up to find the other sucking licking or sucking them off. Sometimes it seems as If I'm only having a nice sexy dream, then I wake and find I've got a mouthful of hubby's cum. We're both crazy about oral sex and quite content to stay that way."

And one possibly cum crazy Virginia secretary says: "My horny boss learned long ago how to make me come during our mid-morning coffee breaks. We'd been sucking each other off nearly every work day for several months and he knew how I went out of my mind over the taste of his dick."

While possibly there are guys who possess an equal passion for pussy juice, there is no available data on those who can actually ejaculate through tasting a female's fluid. Guys generally tend to become more excited by the odor and sight of cunt than by the taste. Those who do occasionally come while giving head are simply having a secondary sexual reaction which is caused by extreme excitation and tension; this orgasm actually occurs as a touchless form of masturbation.

Sucking a juicy, fragrant cunt causes such tension that the sheets, carpet (or whichever) afford sufficient excitement for the guy to substitute the former for a hand. Males also tend to become more excited through giving head when they hear the female moan or feel her thrash about. But when a female sucks a cock she is less apt to be flattered or to be further turned on by merely hearing a dude moan. The chick who possesses a penchant for sucking dick knows that her partner's final plea-

sure will also bring her a mouthful of proof. While the only evidence of a woman's ultimate pleasure is in her moans and frantic movements.

Cunt juice is highly similar to saliva; it contains no protein or other nutrients and therefore has no real food value. Semen, on the other hand, though somewhat saliva-like in consistency and appearance, contains such a wealth of nutrients (many of the amino acids, the entire B-complex, along with a rich supply of lecithin) that it could feasibly be life-sustaining to a woman in a lifeboat filled with sacrifice-minded males

By contrast, however, while completely lacking in food value, pussy juice has been proven to be an extremely effective skin lubricant or emollient. It was once though that Bedouins in the Sahara remain relatively unwrinkled and smooth skinned due to their nightly practice of literally washing their faces with cunt juice when giving head.

"The heterosexual woman who has a personal preference for fellatio [cocksucking] is usually an exceptionally warm and generous type," says sexologist-psychologist Gifford Chase. "She derives genuine pleasure from giving and a male's passion brings her both gratitude and pride." In plain language, the devoted female cocksucker is doing her damndest to show a guy she loves giving him pleasure. When she runs her saliva-soaked lips out to the swollen head of his root, then swallows it to the balls without gagging, her head is repeatedly nodding "yes" to the fact that she is enjoying his enjoyment and patiently waiting for his final fulfillment to fill her mouth. And she knows she'll get as good as she's given. To call a male a cocksucker is either to berate him or to label him queer. To call a female a cocksucker should be to call her considerate, loving, unselfish, and often just plain horny.

Cocksuckers and cuntlappers are "using their heads" in more than one sense. Whether they are juicing things up for a future fuck or simply sucking as an end in itself, both are down there silently saying: "I love sucking you as much as you love being sucked; we're both using our mouths to make each other happy."

Masters & Johnson's of sex research fame revealed that cunnilingus [cuntlapping] provides more females with stronger, longer-lasting climaxes than fucking does, and that fucking has a much higher orgasm failure rate than cunnilingus The exact same sex situation exists for aging males: they experience far more orgasm failure when fucking than through either cocksucking or masturbation. The charisma that surrounds cocksucking was contagious enough to turn Deep Throat into a whole mouth mystique. The movie had a long and successful run and there is little doubt that its dick-swallowing suck scenes have helped set the trend for oral sex.

The guy that created the bumper sticker, "Eat a Beaver, Save a Tree," may have only been trying to be clever or funny... but he certainly had his head in the right place!

Blowjob Smile

"Much better," Bob said to his reflection in the hotel room mirror. "I feel halfway human again."

Humming a merry tune, he toweled off leisurely. There was nothing like a cool shower to rejuvenate the body and mind. Well, there was sex. And that was definitely on the menu. But for now he was quite content to be squeaky clean.

The flight from Miami had been blessedly uneventful. Still, being confined within a plane for hours always made him feel dirty and tainted, even downright toxic. He had never been so happy to arrive at LAX; not even the thick smog could diminish his relief.

Bob was the widower of one of porn's most successful performers, the recently deceased Holly Hoover. He had taken care of her months ago, fouling up Holly's brakes to make the one-car smashup look like an accident.

Now he was playing his role with aplomb, his life a dizzying whirlwind of cities and towns as he promoted all things Holly—the countless posthumously released DVDs and other memorabilia bearing her image and name. Death had been good for business.

The present gig in Los Angeles was a prime example. One of the biggest names in sex toys was planning to release a commemorative Holly Hoover blowjob sleeve. The mold of Holly's luscious lips had been cast a mere week before her death. Undeterred by the tragedy—perhaps even spurred by the commemorative angle—the company had proceeded with the project. Bob had been summoned to the West Coast to "sample" the prototype prior to mass production; the manufacturer sought his seal of approval and signature of authenticity, both of which would appear on the product's clever packaging.

After all, who better to endorse the toy than Holly's ex-husband? During the course of their relatively short relationship she had probably sucked his cock a thousand times. He was being compensated nicely for his services.

In more ways than one . . .

Three evenly spaced raps on the door brought a lascivious smile to Bob's face. "It's open," he barked, turning away from the mirror.

Debra Dillard, CEO of the sex toy company, crossed the threshold. Bob regarded her hungrily. His blonde/busty business partner looked ripe for a thorough reaming.

"Bob! You made it!"

"In one piece," he said.

"Indeed," she replied. "And I'm just dying for a piece of you."

She yanked the towel from his body and tossed it across the room. "Looks like you feel the same way about me."

"Shut up," he said, "and get undressed."

Debbie unbuttoned her blouse and let it fall to the floor.

"No bra, huh?"

"I'm a liberated woman, Bob."

He sat on the bed, leaning back on his elbows as Debbie joined him. Her plump and juicy lips devoured his cock. She bobbed her head frenetically, taking every inch on the downward plunge. Bob's prick cap nudged the back of her throat, triggering her gag reflex. Saliva oozed from her mouth, coating his rigid member as she sucked him with slutty fervor.

Bob lay back and stared at the ceiling. He wished there was a mirror up there. That would've really enhanced the experience. Not that he was complaining. Debbie could suck dick with the best of them, even holding her own against Holly, the undisputed champion of cock gobbling.

Of course she, Debbie, didn't suspect a thing. Holly's death had been a freak accident. Case closed. It was Bob's dirty secret, his and his alone. And, nev-

BLAIR-NTS-09

er too proud for a sympathy fuck, he intended to milk her demise for all it was worth.

Now Debbie sat up; she unzipped her short skirt, then peeled her lace panties. Black thigh highs contrasted sharply with her milky flesh. Her pussy was a hairless pink gash, which she rubbed adroitly; this while she used her other hand to squeeze and knead her mammoth tits, tweaking each turgid nipple.

Bob rolled on top of her. She parted her thick thighs, receiving him with urgency, moaning as he entered her. Bob thrust, plunging his rod repeatedly, driving his hips with ferocity. Her tits bounced with each stroke, prompting him to slow down. He didn't want to blow his wad too soon, not before sliding his prick between those magnificent jugs.

No time like the present, Bob reasoned.

He withdrew and straddled her midsection. Hunching over, he guided his cock into the soft valley of her cleavage. Debbie raised her hands and pressed her mounds together, creating a tight crevice for his tittie-fucking pleasure.

Bob humped and pumped, jabbing his jimmy with increasing speed. He had every intention of finishing this way. Debbie was on the same page. "Come for me, Bob! Give me your load, baby! I want it all over my—"

Bob's orgasm cut her off. He released a torrent of jizz, spurting her face with multiple ropes. Debbie opened her mouth, ingesting what she could, while the rest of his load glazed her chin, nose, and cheeks.

Totally spent, he withdrew and lay on his back. "Looks like I'll have to take another shower."

"Not to worry," Debbie told him. "You have plenty of time. The prototype isn't going anywhere. She's at the factory, safe and sound."

"Waiting for my cock, eh?"

"Yes," she said, "and a mighty fine cock it is."

Sitting in the passenger seat of Debbie's sporty convertible, wind whipping his hair, Bob enjoyed the drive to the factory. He was in a fine mood. Not even the smog, nor the nightmarish L.A. traffic, could bring him down. Life was good.

Debbie, he thought, replaying the action back at the hotel. She had been something else. And there was more to come. After all, he couldn't rightly sample the toy without proper prepping. Debbie had mentioned Fiona, a young staffer who worked in the art department. "Fiona helped design the toy," Debbie had told him. "She's supremely talented, Bob. In more ways than one . . ."

After receiving a tour of the facility Bob was introduced to Fiona. "You two have fun," Debbie said, smiling as he followed the sexy young artist into the studio.

Fiona had a buzz cut, brown eyes, and a light dusting of freckles. A tiny stud adorned her nose, gleaming under the bright studio lights. Her disposable white apron was spattered with paint. Bob noticed the empty stools.

"Where is everybody?" he asked.

"Lunch," Fiona said. "They just left. That leaves us an hour."

Bob stood there, transfixed by Fiona as she proffered the prototype. "Here she is. The one and only Holly Hoover commemorative blowjob sleeve."

"Nice," Bob said, taking the toy, turning it this way and that. "So soft," he added. "And I'd recognize those lips anywhere."

"I'll bet," Fiona replied.

They had done a fantastic job. The toy looked great. Of course looks weren't everything, especially when it came to blowjob sleeves. The real test had yet to commence. Would the prototype feel good, would it feel just like having Holly's lips wrapped around his cock? There was only one way to find out . . .

Fiona eyed him lustily. "Are you ready to sample the merchandise?"

"I was told," Bob said, "that you would help me

with that."

"My pleasure."

Fiona untied her apron, letting it fall to the floor. She wore a wife beater top and provocatively cut denim shorts. Kicking slip-on canvas sneakers from her feet, she made short work of her outfit, shedding both garments as Bob dropped his pants.

Stroking himself, he watched her step out of cotton panties, admiring the unruly black bush between her skinny thighs. Fiona hopped up onto the work table, depositing her tight little tush atop its cluttered surface.

She lay back and spread her legs. Bob spied pink lips peeking through her wiry thatch. Heart hammering, he moved to the edge of the table, maneuvering himself between her legs. Then he skewered her, sinking his cock into her hairy muff.

Fiona gasped as he fucked her, gasped and groaned and, in her excitement, swept a hand across the table, toppling a jar filled with paint brushes. The brushes clattered against the floor. The glass jar rolled precariously close to the edge of the table before stopping. Neither Bob nor Fiona noticed as their torrid tryst progressed.

Bob thrust fast and deep, hammering her pussy in earnest. Of course he was plenty hard to try the toy. Still, he kept right on pounding Fiona's hairy cunt, intent on enjoying her a little bit longer. Fiona hiked her spindly legs, crossing her feet behind Bob's ass, urging him onward as her orgasm approached.

Having made Fiona come, and watched the artist gather her clothes and make a hasty exit, Bob had the studio all to himself. Now it was just him and the toy, the prototype, the silicone version of Holly Hoover's famous blowjob smile.

And that smile was going to make him a very rich man. If, he reasoned, it was deserving of his endorsement. If not—well, it would be back to the old drawing board for Debbie and Fiona.

Standing there in the middle of the studio, his cock in one hand, the toy in the other, Bob said, "Just like old times, baby."

Then he rammed it home.

Bob pumped the sleeve rhythmically, gliding it up and down his glistening prick. So far, so good, he thought. The toy felt amazingly realistic, almost like the real thing.

He almost regretted killing his wife.

Almost . . .

Their sex life had been great, sure. But that couldn't compare to the money he was making in the wake of her death. Dollar signs flashed in his head as he envisioned Holly Hoover commemorative blowjob sleeves flying off store shelves. It was going to be a big hit. Kudos to Debbie and Fiona. They had done an outstanding job. The toy was definitely worthy of his endorsement.

Bob jerked the sleeve faster and faster. His pulse pounded, his balls brimming with sauce. He was going to blow a massive load, filling the thing with his cream.

Any second now.

So close . . .

And then it happened, a debilitating wave of weakness wracking his body, felling him with devastating force. Bob dropped to the floor like a sack of grain. He lay there, utterly stunned. He was confused. Then frightened. Then terrified when he realized that he couldn't move. He was having a stroke! A massive stroke!

Bob tried to holler for help, but he couldn't form the words; all he could manage was a pathetic mumble. He sounded like a man whose mouth was packed with gauze.

Prone on the cold floor, his head turned sideways, he peered at the toy where it had fallen from his hand. Those familiar lips. Holly's lips.

They smiled at him.

lovely lean ladies

kodi & celeste

Kodi and Celeste have been working out together for a while now. Every morning they meet up and run for a couple miles. Then come back to shower and have a good fuck. Running is the main workout, but girl-on-girl loving is the perfect way to keep that energy flowing.
